Appin Meats Fundraiser

Dear Parents:

This is the time of the year when the BBQ's start up and families spend more time outside in the nice spring weather.

This year Kilworth Children's Centre is trying something new. We will be holding a meat fundraiser. The selected meat is delicious, and makes a great idea for weekend gatherings, back yard BBQs, families big and small, and ones that need a quick dinner. Don't forget to buy an extra pound or two for the grandparents. ☺

The money we raise will go towards new program supplies, toys, books, and in house visitors. What a great way to support our children's learning and development and a local shop in the extended community.

Appin meats is a family owned and operated business, located West of Mount Brydges. They are an abattoir, retail outlet and catering business, with a long history of customer satisfaction.

Orders are due back **April 24 @ noon. Unfortunately no late orders will be accepted.** We will accept **cash or cheque, made out to Kilworth Children's Centre.** Pick up date is **May 8 from 3:30-6:00pm.**

Please be sure you or a family member is able to pick up your order on this day.
