

BINGO INFORMATION

The Bingo Chairperson must arrive by 4:30 to begin counting paper (i.e. the bingo cards). Any discrepancies must be brought to the attention of the manager BEFORE you start selling any paper.

At 5:30 pm, a minimum of 4 volunteers must be present to start sales of paper. Please arrive by 5:15 pm (if your letter states this time) to ensure that you are ready to begin right at 5:30, as patrons are accustomed to begin making purchases at that time.

2 volunteers are needed to sell cards behind the counter.

1 volunteer is needed for sales of the Ultimate Link game.

The chairperson is responsible for the selling of cards to runners throughout the night.

At 6:30 pm, 3 volunteers are needed to work the shutter boards. Again, please ensure that you arrive by 6:15 pm (if your letter states this time), as this is a very busy time, and it is imperative that you are ready to go at 6:30.

Volunteers cannot touch or count paper before Bingo starts and then go to play. This contravenes the City of London by-laws.

Volunteers cannot buy or play any games at the Bingo Hall while they are working. This includes Nevada Tickets. Volunteers *can* buy scratch tickets.

Bingos take place at
